Existing law specifies the procedures for setting the compensation of city council members and establishes a compensation schedule based on city population.

This bill would raise the maximum compensation of city council members established in the compensation schedule and authorize city councils to raise the salary in even-numbered years, based upon ~~any~~ *the cost-of-living increase, as measured by the Consumer Price Index, for persons residing in the city.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
